Dear Hearth Families and Friends,

What a beautiful summer we have been having with the weather. I hope you are all getting out and enjoying it as much as possible. Things at Keepsake Village seem to be slowly getting back to a normal pace. As you are all aware through my emails, we had a tough July with all the positive COVID 19 staff and residents. We are starting to see the light at the end of the tunnel with residents and staff coming back to the community. We are hoping that August will allow us to start to look at a soft opening, but we will have to take this day by day. As always, feel free to contact me by phone or email if you have any questions or concerns. I am looking forward to the day that I will be able to meet you all face to face. As I have said before, your partnership is helping us get through this. Have a safe August and I hope to see you all soon.

August Staff Spotlight

We are thrilled to introduce you to our new Nursing Director:

Kelly Schneider, RN.

Kelly may look familiar to many of you.. she was with The Hearth from 2017 –2018.

Welcome Back Kelly!

Resident of the Month

Millie has lived with us at Keepsake Village since March of 2018. She grew up in Watertown, NY and met her loving husband Don when he was the

paper boy delivering to her family home. Millie and Don have been married 67 years! They have 6 children, and 15 grandchildren. Millie worked in the cafeteria at Cicero Highschool, at Switz's, and at Hafner's. Millie loves spending time with her family, arts and crafts, and going on outings with friends.
