

A Note From Nicole

Happy September! I am so pleased to report that we have not had a new COVID case in our building since May! Thank you for being diligent in wearing your mask, washing your hands frequently, and social distancing. It will take all of us following those guidelines to remain virus-free.

September 13-19 is Assisted Living Week! We have some special activities, prizes, meals, and a few surprises planned. Stay tuned!

As always, if you have any questions, concerns, or suggestions, please contact me.

 Staff Spotlight P. 1

Brittany Bailey has been a member of the nursing staff for one year and says her favorite parts of the job are the wonderful staff and loving residents.

Brittany grew up in Greenwood and graduated from Center Grove High School. She has three boys who range in age from 11-19. When she isn't working, Brittany enjoys spending time with her family boating and camping.

Penny Buechter has been our transportation driver since 2016 and says her favorite part of the job is spending time with the residents every day.

Penny grew up in Staunton, Virginia, the home of the Statler Brothers. Penny's father is first cousin to Harold and Don Reid of the Statler Brothers. While living in Staunton, Penny's dad worked with them.

Penny and Paul will celebrate their 30th anniversary in April. They have 1 son, Christopher, who is 21 and pursuing a degree in motor sports engineering. When she isn't working, Penny enjoys gardening, cooking, and decorating.
